Hello, I'm checking on my order #5521. It's been 40 minutes and it's still not here

Hi there! We apologize for the delay. Let me check the status with the delivery driver for you. One moment,

17:40

The driver is just 2 minutes away. He faced some heavy traffic on his way to your location.

Okay, thank you for the update. Will the pizza still be hot

Absolutely! All our orders are kept in thermal bags. If there's any issue, please use the "Report" button at the top

Great, thanks for your help

You're very welcome! Enjoy your meal. 🍕
